David M. Goldberg, Contributor
## Table of Contents

### Introduction: About This Book 1

- Who This WorkBook Is for 3
  - The Language of Assisted Living 4
  - The Assumptions of the WorkBook 4
- How to Use This WorkBook 8
- Phase Elements 10
  - Intended Outcomes 10
  - Key Information 10
  - Key Words 10
  - Are You Ready to Move on? 10

### Phase One: “So Why Do You Want to Get Into This Business?” Pre-Planning Phase 11

- Intended Outcomes 12
  - Key Information 12
  - Are You Ready to Move on? 14

### Phase Two: “If You Are Still With Us, Let’s Get Started With Building the Foundation” Basic/Background Research 15

- Intended Outcomes 16
- What Happens as We Age? 17
- Factors That Influence How We Age 19
- Healthy Aging Is Normal 20
  - Let’s Take a Closer Look at Older Adults 20
- Looking at Age in Other Ways 21
  - Normal Physical Aging 22
  - What About Other Changes That Occur in Aging? 26
  - What Do We Mean by Ageism? 29
Phase Four: “Now that You Know Your Market, You Are Ready To Define Your Program and Mission Statement!”

Key Elements of Program Definition

Intended Outcomes

Key Information

Your Program Location

Who Will You Serve?

What Are the State and Local Licensing Regulations?

What Is Aging-in-Place?

Full Disclosure of Dementia-Capable Services

What Is Negotiated Risk?

Negotiated Risk Questions to Answer

Your Dementia-Capable Team

Dementia-Capable Education and Training for Your Team

Your Philosophy of Dementia Care and Service

What Is a Program Mission Statement?

Developing a Mission Statement

How Can You Revive Your Existing Mission Statement for Dementia-Capable Care?

Rights and Responsibilities of Dementia-Capable Care

Resident Rights

Are Rights for Residents With Alzheimer’s/Dementia Different?

Family Rights and Responsibilities

The Rights of the Dementia Care Staff

Measuring the Success of the Dementia-Capable Program

How Does Assessment Lead to Continuous Quality Improvement?

Daily Evaluation of the Program

Key Words

Are You Ready to Move on?
Phase Five: Building Program Leadership and the Dementia-Capable Team

Recruiting, Hiring, and Staffing the Program

Intended Outcomes

The Role of the Dementia Program Team Leader

Qualities to Look for in the Program Leader

The Leader Must Be Committed to the Dementia-Capable Program

How Do You Define Leadership?

How Does the Leader Inspire a Shared Mission?

How Does the Leader Foster Team Spirit?

How Can You Encourage Individual and Team Accomplishments?

What Is Modeling in This Context?

How to Model Choice

How to Model Dignity

How to Model Individuality

The Management Team

Should Your Program Have a Medical Director?

The Role of the Resident’s Primary Care Physician

What Qualities Should You Look for in the Management Team?

The Dementia-Capable Resident Assistant or Caregiver

The Dementia-Capable Caregiver’s Approach

Caregivers Approach Each Resident as an Individual

Caregivers Should Help Plan Resident Care

Who Fills Other Key Support Positions?

Developing Dementia-Capability With Existing Staff

Effective Recruitment Strategies for Your Dementia Care Program

How Should You Educate the Team and Build Their Dementia-Capable Skills?

Successful Staff Development Techniques

Guest Speakers

The Role of Orientation for Dementia-Capable Team Members

What About Ongoing Education for the Team?

What Training Resources Exist for the Dementia-Capable Program?

How Can You Retain the Dementia-Capable Team?

How Can You Ensure Team Satisfaction?

Team Building in Dementia-Capable Programs

Performance Evaluations

Key Words

Are You Ready to Move on?
Phase Six: Designing The Essential Program Components

Intended Outcomes

Family Involvement From Pre-Admission on
Touring the Residence Before Move-In
Full Disclosure of Program and Services
What About the Resident Who Has No Family?
Pre-Admission Resident Needs Assessment
What Does a Needs Assessment Include?
The Family Interview
What About Move-In Day?
On Move-In Day
What Happens After Move-In Day?
The Needs Assessment Builds the Individualized Service Plan
How Does the Individualized Service Plan Help You?
Planning Resident Care—The ISP Meetings
Continuous Care Planning to Meet Residents’ Changing Needs
What About a Resident Who Has Coexisting Illnesses?
Assistive Devices Common to Assisted Living
What Should I Know About a Resident’s Changing Condition?
How Do I Critically Observe Residents?
What to Observe
Health Care and Wellness in Your Dementia-Capable Program
How Do You Meet Residents’ Nutritional Needs?
What About Medication Management?
Medications That Slow the Progression of Alzheimer’s/Dementia
What Are Psychotropic Medications?
The Life Enrichment Program for Dementia Care
Helping a Resident and Her Family Plan for the End of Life
Community Challenges for the Dementia Care Team
What Triggers Challenging Behavior?
Safety and Security Issues for Your Dementia Program
Wandering
What About Resident Transfers and Discharges?
Evaluating Continuing Care
Transfer and Discharge Timeline

Key Words

Are You Ready to Move on?
### Phase Seven: “Enhancing Your Program Through a Creative Environment” Physical Environment/Design
