

We know you may have seen the new CDC guidance,  
but in order to protect our residents and our team...

# FACE MASKS ARE REQUIRED HERE!

- Please be prepared to answer screening questions.
- Please wear your mask when you are in common areas and when you are not able to social distance.
- If you are comfortable, you and your loved one may remove your mask if you are in a resident's private room.
- Outdoor visits are encouraged, weather permitting.
- Please reschedule your visit if you are experiencing Covid symptoms.
